

Treasury Department,

Bureau of the Mint,

Washington, D. C., December 13, 1899.

Francis Gordon Brown, Esq.,
No. 6 Locust Street,
Blushing New York.

Sir:

In reply to your letter of the 9th instant, you are respectfully informed that small amounts of gold have, for a long series of years, been obtained from mines in Virginia. The annual average for the entire State, for the last ten years being about \$5,000.

It is understood that small quantities of gold have been found in Spottsylvania and Stafford.

Respectfully,

Gio. R. Roberts
Director of the Mint.
